**An Opportunity for the Third Sector to Learn of New Developments
in the Field of Children and Young People**

Following Children in Wales' Third Sector Conference 'In the Field – Not Out to Graze' held in September 2011, we are now organising four events across Wales (with the support of the Welsh Government) to consider the proposal to rationalise planning and partnerships, *Single Integrated Plans - Shared Purpose, Shared Delivery* and to update participants on Families First.

It's another crucial time for Third Sector children and family organisations in Wales, therefore, if you are a Manager, Practitioner or Representative why not come along to voice your opinion on how structures and processes are formed for effective collaboration and engagement at all levels.

From the Welsh Government, you'll get to meet:

Huw Maguire – Head of Family Support Branch

Daniel Jones – Head of Partnership Governance and Effectiveness
